

Internships in Barcelona 2009

Living, learning and working in Barcelona – the advantages are evident

- You perfect your knowledge of Spanish
- You gain international work experience and intercultural skills
- You improve your chances on the job market

What we can offer you

- Internships in Barcelona the whole year round, with a preparation time of 2 to 3 months
- Arrangement of compulsory work experience for "sandwich" courses, recognised by universities. E.g. placements in design, media, architecture, marketing, computing, etc.
- Culture and leisure programme in Barcelona, as well as the arrangement of accommodation
- Help with completing application documents
- Certificates: One certifying your knowledge of Spanish issued by Centro Humboldt and another issued by the host company in Barcelona, certifying your internship

Programme

- Spanish intensive course with max. 6 participants
- Internship in companies in Barcelona (from 2-9 months)
- Free access to our virtual campus for self-study from registration on
- Optional: Exams for the European Language Certificates and the Instituto Cervantes exams

Target group and requirements

- Students and graduates
- Having completed non-academic vocational training
- Sufficient knowledge of Spanish at the beginning of the internship (B1 concluded)
- Citizen of an EU country or with residence and work or student permit for Spain
- Minimum age: 18 years
